# SPEAKERS

## MICHAEL J. ECONOMIDES

A chemical and petroleum engineer and an expert on energy geopolitics he holds a number of positions: professor at the Cullen College of Engineering, University of Houston; Chairman of the Board of XGAS; managing partner of Dr. Michael J. Economides Consultants, with a wide range of industrial consulting; editor-in-chief of Energy Tribune and editor-in-chief of the peer-reviewed Journal of Natural Gas Science and Engineering.

## ALLEN FORE

Fore, director of community relations for Kinder Morgan Energy Partners, has more than 20 years of experience in government, public policy, and politics at the local, state, and national levels. At Kinder Morgan, he is responsible for managing comprehensive public affairs, public relations, and community outreach programs for major energy projects.

## CLAIBORNE DEMING

Deming served as President and CEO of Murphy Oil Corporation from 1994 to 2008. Prior to assuming that position, he served as Executive Vice President and COO and had served previously as President of Murphy Oil USA, Inc., a major operating subsidiary. He joined Murphy in 1979 as staff attorney and held numerous positions prior to his promotion to President of Murphy Oil USA in June 1989.

## WALT COLEMAN

A sixth-generation family operator of Coleman Dairy in Little Rock, Coleman has been an official in the National Football League (NFL) since the 1989 NFL season.

## REGINA HOPPER

Hopper is President and CEO of America's Natural Gas Alliance, dedicated to increasing appreciation of the environmental, economic and national security benefits of clean, abundant and affordable North American natural gas. Regina promotes the pivotal role that natural gas can play in the low-carbon future—fueling innovative solutions for cleaner, smarter energy.
